"Get rid of bitter envy in your heart so you can experience peace, order and genuine love for others!" **James 3:14**

Everyone—from every school—is welcomed and valued at Students of Impact!

When you compare yourself to someone else, someone always loses.

God wants you to know your worth and how loved you are! Recognize YOUR unique and valuable contribution and the goodness you bring into this world! 🥳

Instead of COMPARING yourself, CELEBRATE the goodness in the other AND in yourself! Consider:  
**"What can I learn from that person?"**
