

# IMMACULATE CONCEPTION PARISH

## April 2019 Newsletter

Dear Friends in Christ,

Without speaking too quickly, I do believe that Spring has arrived! Because Easter is so much later this year than in the past, the birth of Spring can encourage us to prepare ourselves to celebrate the gift of our rebirth. In a matter of a few weeks, we will recall the greatest days of the year for all Christians. The season of Lent will end and the sacred Triduum will begin on April 18th. On Holy Thursday night, we will celebrate the liturgy that reminds us of the Last Supper which the Lord shared with His apostles. Following this celebration, the Lord will be placed in the garden created for this special night within our church. We spend the late evening hours of Holy Thursday recalling the time Christ spent in the garden before He died.

It seems somewhat strange to call Good Friday something good. And yet, of course it is. The good deed that the Lord did for us can never be measured in human terms. Christ died on the cross to attain for us the gift of salvation. On this unique day, there is no Mass celebrated. This is the only day of the year when we do not do so. At our 3:00pm service, we will recall His bitter Passion and sacred death before we venerate His cross. Communion is then distributed with the Eucharist that was consecrated at Mass on Holy Thursday evening. Good Friday is one of the two days of the year when Catholics are asked to both fast and abstain.

At the great vigil of Easter, which begins in darkness, we will gather around a fire and proclaim Christ's Resurrection. Our Easter candle will be brought into the church and will be used to help announce that Christ is Risen. There is no other liturgical celebration more important than the Easter Vigil. If you have never attended this service, please consider doing so. Several elements of the liturgy only occur during this most important service. We will be blessed to baptize our Catechumens and to also celebrate with them Confirmation and First Communion.

I look forward to celebrating Easter Sunday with you and your families. Please note that there will be two extra Masses celebrated in the Church that day. Also, in order to help ease the flow of traffic, Mass will be celebrated at 9:30am instead of 9:00am. There still are opportunities available for the sacrament of Reconciliation. On April 5th and 6th, we will have 18 Hours for individual Confessions. Several priests from around the deanery will be here to assist you. Also, on April 13th, Reconciliation will be celebrated from 3pm-4:45pm in the Sacred Heart Chapel. On April 16th, Reconciliation will be celebrated from 4pm-7pm in the Church. Please do not hesitate to come and receive God's mercy in this beautiful and powerful sacrament. Try not to be over concerned about how long it has been since your last confession or any fears of the priests thinking less of you because of your sins. The Lord's unconditional love is totally evident through this sacrament.

I hope and pray that all of you have a blessed Easter and a Holy week. May the Lord, Jesus truly touch your hearts with Easter joy and love!

Sincerely in Christ,  
Father Tom

Dear Friends in Christ,

I want to continue part 3 of a 4 part series on the next part of the P.R.AYER. Diet. This month we will cover R. Once again, my usual announcement, I'm not a trained medical professional or doctor. I'm just trying to hand on what I've heard and/or read about.

R = Recreation

Heard a good joke one time that the punch line of it was "and Jesus walked everywhere!" WALKED everywhere!

To move is so important. The R. for Recreation really stands for any kind of movement. Any movement we do adds benefit. Many of you know I like to walk. Being at IC is such a wonderful location, because I can walk to so many places, especially into town! Just adding little things like walking into town and back for a cup of coffee versus driving adds up over time. Think about it. It's approximately 700 steps from IC into town, and another 700 back. Do that 2 times a week. That's 2,800 steps a week or 145,600 steps a year. If a mile is about 2,000 steps, that's an extra 72.8 miles of walking a year. 2,800 steps a week doesn't seem like much, but 72.8 miles is a lot! In terms of exercise, what worked for me was weight lifting and cardio. I try to lift 3 to 4 times a week, and do some cardio after I lift. I also try to get 10,000 steps a day (about 5 miles of moving). Depending on what I'm trying to do will determine how long I lift for. If I'm trying to increase muscle mass I lift longer than my cardio time. If I'm trying to burn fat, I try and incorporate more cardio in my routine. My suggestion, don't over do it! Little by little. I know about wanting instant results! I get it. But it takes time. Just like a habit of prayer doesn't happen overnight, neither does a workout routine. If you are new to lifting weights, don't try and lift too much. Many things that I have read suggest light weights and many reps for fat loss. I still only lift fairly light weights at the gym. For me, that has brought decent results. I've seen an increase in muscle mass, and also I know have lost fat. I didn't have to bench hundreds of pounds daily to get there. Rather, through a consistent routine.

A Fitbit or app on phone is a good thing to have. It helps us truly track how much we move. 10k steps a day is recommended by the National Heart Association. Once again, if you're not moving that much a day, don't think you instantly need to get to 10k a day. Work at it slowly. If you go from 4k steps a day to 7k for example, that is an awesome improvement!

Another suggestion I would have is to include moving into your spiritual life. For me, the Liturgy of the Hours priest prayers are something I will do time to time while walking. There is an audio Podcast version of them. Sometimes you will see me walking around Elmhurst with an earbud in. I sometimes will be doing these prayers while I walk. Another great thing to do is to pray the Rosary while walking, or even just to talk to God!

So if I pray about it and move, I'll lose weight?! Well.....it helps, but one more key thing...the last part of the acronym we will cover next month "AYER, And You Eating Right." This...this is key. Until next time!

In Christ,  
Fr. Chris

## April Prayer

Alleluia! Praise God in his holy place,  
Praise him in the heavenly vault of his power,  
praise him for his mighty deeds,  
praise him with harp and lyre,  
praise him with tambourines and dancing,  
praise him with strings and pipes,  
praise him with the clamour of cymbals,  
praise him with triumphant cymbals.

Let everything that breathes praise Yahweh.

Alleluia!

2. All from the age of 18 years up to the beginning of their 60th year are bound to fast on Ash Wednesday and Good Friday.
3. On these two days of fast and abstinence, only one full meatless meal is allowed. Two other meatless meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal another full meal. Eating between meals is not permitted on these two days, but liquids, including milk and fruit juices are allowed. When health or ability to work would be seriously affected, the law does not oblige.
4. To disregard completely the law of fast and abstinence is seriously sinful.
5. Lent is the principal season of penance in the Church year. All of the faithful are strongly urged to develop and follow a program of voluntary self-denial (in addition to following the Lenten regulations), serious prayer, and a performance of works of charity and mercy.

**Those who are sick, pregnant, or nursing, or whose health would adversely be affected by fasting or abstinence, should not consider themselves bound by these norms.**

## An Invitation to the Easter Vigil

With the Mass of the Lord's Supper on Holy Thursday, Lent comes to an end. As the altar is stripped bare, we enter into the peace and glory of the Sacred Triduum. We begin the Paschal Fast and anticipation. We gather quietly on Good Friday, listen to scripture and come forward in faith and humility to venerate the wood of the cross.

With crescendo-like anticipation, we fast and pray through Holy Saturday until the glory of the risen Lord bursts forth at the Easter Vigil. Hungry now and excited, the church gathers in the darkness and lights a new fire that will make this night bright for us. From the bonfire burning outside the Chapel, first the Paschal candle is lit, followed by those who have gathered to witness this extraordinary night. The light is spread from one person to another until the whole church is ablaze with light —the light of Christ.

The second part of the Easter Vigil is the Liturgy of the Word. We listen to the scriptural story of our salvation — our journey out of darkness into light, out of death into life. In proclaiming the gospel, we welcome back the "Alleluia" which went unsung during Lent.

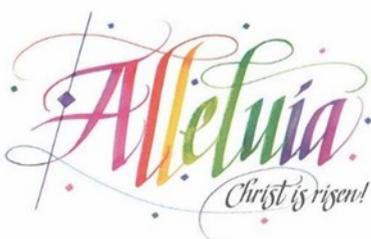

The third part of the Easter Vigil is the sacramental initiation of the catechumens. Here we witness the blessing of the water and the Baptism of two individuals who are newborn children of God.

Following the two Baptisms and the Profession of Faith by the entire faith community, our two neophytes will then be anointed with sacred chrism and confirmed.

We wait in joyful anticipation as the bread and wine become the Body and Blood of our Lord Jesus Christ and our neophytes, Jada and Kim, are welcomed to the Eucharistic Table of the Catholic Church for the very first time.

Leave your watch at home! The Easter Vigil lasts significantly longer than Sunday Mass. Bring your children. There will be lighting of candles, singing of psalms, ringing of bells, sprinkling with holy water, fragrant clouds of incense, the "smells and bells" of the Catholic Church in all of its regal glory. Come prepared to be a participant rather than a spectator.

Let us show our support for our fully initiated members and lovingly welcome them into our parish family on this most holy night. **Please join us on Saturday, April 20 at 8:00 PM. Extraordinary grace awaits us all!**

# Coming Events

## Immaculate Conception Altar of Repose

On Holy Thursday evening following the Mass of the Lord's Supper and our procession of the Blessed Sacrament to the Altar of Repose at Immaculate Conception, you are invited to depart from our parish via bus to visit seven churches in Chicago, praying at their respective altars of repose. We encourage families to participate in this pilgrimage. We will pray on the bus as we travel from church to church. Please consider joining us on this holy evening as we prayerfully prepare for the days to follow.

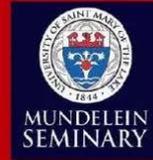

**Your RSVP is necessary, as we will rent a bus for transportation. A minimum of 25 participants are needed to rent the bus. Please contact Pam Stefik at 530-3497 for further information and/or to reserve a space.**

**Red Lake/St Mary's Mission Sewing Class**  
Last year, a group of women traveled to Red Lake, MN to teach sewing classes to 6th graders at St. Mary's

Mission School. It was a wonderful experience. The children were excited and attentive. They made hats, pillow cases and table runners. We are excited that Fr. Jerry and the students are interested in having us return this year. We are looking for a few people who would be willing to join to help teach the classes. The group leaves Elmhurst on May 4th and returns on May 11th. Do you know how to sew on a button? You may join us! Cannot sew on a button?? We will teach you before we leave. We stay at the rectory so there is no housing cost. Please call or email Teri Coha [tericoha@gmail.com](mailto:tericoha@gmail.com), 630-277-2493.

## IC Lenten Outreach Project

### Message from Fr. Jerry

**Thank you** for the warm welcome I received when I visited IC a few weeks ago. If you can ignite faith, inspire hope and empower love, **YOU CAN CHANGE THE WORLD!** That vision energizes our mission at St. Mary's. We are anxious this year to ignite the faith of a record number of students! We are literally using refurbished storage spaces to accommodate all the kids! We are excited to continue to inspire the hope of our last year's sixth graders who celebrate returning to St. Mary's, as this year we bring back 7<sup>th</sup> grade! And we have worked hard as a faculty and staff to create a community within a community that will surround our students with the strength of our faith, the power of prayer and the living witness of our beliefs and values that empower love!

We take seriously the Lord's mandate to bring about the kingdom, not

some "pie-in-the-sky" when you die, but rather the transformation of this world, where life and love, truth and goodness, justice and peace have a chance. St. Mary's needs your help to help us educate and form the most precious children you could ever meet! Last Spring, reading scores continue to reveal that 91% of our students are at grade level or above; we are doing now with math what we did with reading. Our faculty and staff are tops and visitors to our school remark about how contagious is the spirit to learn and how impressed they are as the kids live up to the high standards of behavior we set for them. Never underestimate all the good that you do as you work with us to make this all possible. St. Mary's Mission gives our students and people the opportunity to imagine their world at Red Lake in a much better way, where the Kingdom is experienced and lived.

**Please prayerfully consider how your sacrifice will make a difference to the children at St. Mary's Mission School. Checks should be made payable to Immaculate Conception, with a memo for St. Mary's Mission. Alms will be collected on Palm Sunday in the narthex.**

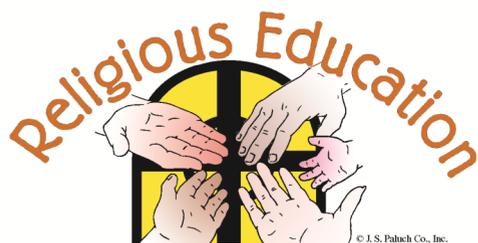

IC will offer a Protecting God's Children workshop on **Wednesday, May 22, 2019** at 6:30 PM in the Resource Room of the PAC/Rectorry. To register, please access our website and click on the "Promise to Protect Pledge to Heal" button on the left side. You will be directed to a list of workshops where you can register for the session of your choice. Any adult who works with minors in the parish setting must attend this class. Please call 630-530-3497 for further information.

*Lord, we pray for those in the RCIA process who journey to you.  
Open their hearts to the fullness of your love.  
Deepen their understanding.  
Set their hearts on fire for the kingdom of God.  
We ask this through Jesus, who is the Way,  
the Truth and the Life.*

The Little Sisters of the Poor, St. Joseph's Home for the Elderly is celebrating 150 years in America this year (2018-2019). The Sisters arrived from France to New York in 1868. Following in the footsteps of St. Jeanne Jugan, the Little Sisters of the Poor have been caring for the elderly poor at St. Joseph's Home in Palatine for the past 52 years. As part of our celebration, we are asking for the faithful to pray for vocations to the Little Sisters of the Poor so that our work may continue for generations to come. The Little Sisters have had to recently close Homes in the United States due to the lack of religious vocations. Beginning April 15, 2019 until the end of May, 2019, the Little Sisters are inviting the faithful to pray one holy hour for vocations. Our goal is to have 150 people to join us in prayer. You are also invited to join the Sisters on a Sunday evening at 4:30-5:30 for a weekly holy hour. If you are willing to take the challenge, please contact Cindy at [volpalatine@littlesistersofthepoor.org](mailto:volpalatine@littlesistersofthepoor.org) or call 847-358-5700 to let you know of your commitment.

From a humble heart, a great wave of charity

# Respect Life

## Sign the Petition for Life

Immaculate Conception will be conducting a petition drive after all the Masses on April 6<sup>th</sup> and 7<sup>th</sup>. Horrific anti-life legislation has been entered in Illinois that would convert our state into the 'Abortion Capital of America'. Unborn children and their families need you. House Bills 2495 and Senate Bill 1942, labeled by abortion promoters as the "Reproductive Health Act," along with partner components, House Bill 2467 and Senate Bill 1594, comprise "the most radical piece of abortion legislation that has ever been introduced in Illinois . . . and the most radical proposed in any state to date," according to the Thomas More Society's detailed analysis. "The Democratic supermajority's proposals now pending in the Illinois General Assembly are the most pro-abortion legislative measures of their type in the country. The barbaric procedures promoted by this legislation are nothing short of **infanticide**. These bills go well beyond the recent New York law and would turn Illinois into a third-trimester abortion destination and an underage abortion haven. Governor J.B. Pritzker promised that his Illinois Democrats would turn the state into the most 'progressive' in the country on abortion, and these bills deliver on that violent promise: Pritzker and his Democratic supermajorities would convert the 'Land of Lincoln' into the 'Abortion Capital of America'."

## CATHOLIC CALL-TO-ACTION

Move Over New York!  
Illinois Will Become Even  
More Extreme on Abortion!

Immaculate Conception  
Catholic Church

### HB2495/ SB1942: Known as the "New York Abortion Bill!"

- makes abortion a basic right. For any reason or no reason. Up to birth!
- repeals the ban on **Partial-Birth Abortion**. A 100% repeal!
- **Jeopardizes ANY meaningful regulation of abortion clinics.**
- repeals legal protections for ALL doctors and hospitals who decline to participate in abortions. Even Catholic hospitals!
- requires private health insurance to fully cover abortion! Even Churches!
- removes abortion clinics from a regulatory framework designed for significant medical procedures, like outpatient surgery.
- removes the requirement that only doctors can perform abortions.
- Allows abortion to be performed anywhere. Even at-home!
- makes the procedure free of charge to the patient. Not even a co-pay!
- would make Roe V. Wade *seem* 'pro-life'

### HB2467/ SB1594: Repeal of the parental notice of abortion law

- will no longer require the notice of just one parent when a girl, under 18 years old, seeks an abortion.
- this bill effectively takes the power from parents and transfers it to boyfriends, sex traffickers, bullies, classmates, & educators.
- most states have either consent or notification laws, so Illinois will become an abortion oasis for the entire Midwest for under-aged girls looking to "hide" their "choice" from parents.

## 2019 Wall of Honor Award

Dr. Don Hoffman

This year we honored Dr. Don Hoffman with the Wall of Honor Award for his commitment to Catholic education and the IC Catholic Prep school community. He was joined by his family, friends and the entire ICCP student body and faculty to celebrate the special occasion. This award is designed to celebrate past or present faculty members, staff members, past parents, grandparents, community members, or supporters of ICCP who have shown dedication, love, support, and enthusiasm for Catholic education and our school.

The IC Catholic Prep Knights Baseball Program has selected to partner with Turn Two for Youth as its charitable organization this season. Working through the MLB baseball academies, Turn Two for Youth accepts all kinds of baseball and softball gear from families like yours and distributes it to children in poverty stricken areas. The mission usually is to donate nationally and globally. The IC Catholic Prep Baseball Program's main mission is to begin outreach specifically to Chicagoland areas and organizations in need. Your contribution will spread the love of the game with other baseball families who don't have the means to properly outfit their children. So, clean out that baseball closet, and give other kids a chance to play ball! On behalf of the IC Catholic Prep Baseball program and Athletic Department we thank you for your support in being servant leaders and helping spread the GAME OF BASEBALL!
