

# IMMACULATE CONCEPTION PARISH

## May 2019 Newsletter

Dear Brothers and Sisters in Christ,

Happy Easter! For fifty days we as a church continue to celebrate the glorious resurrection of Christ from the dead. It is not until June 9th when we celebrate the great Feast of Pentecost that the Easter Season will come to an end. During these days, we give thanks to our Lord, Jesus Christ, for the tremendous outpouring of His love for us. Through His dying and rising, He has set us free and has opened the gates of heaven. The great message of Easter is one of hope. Because of Christ's action, He has provided for us what might seem in some minds to be impossible. However, because He, the son of God, had chosen to share Himself with us so generously, we can live without fear. When we remember that we have the gift of eternal life waiting for us, nothing can hurt us here on this earth. The hope of new life empowers us to not allow anything to bring us harm. May all of us during these special days grow stronger in our relationships with Christ and the message of hope that His resurrection brings us.

In our parish community, there are many special occasions for celebration during the month of May. Our children will receive their First Communion. Likewise, the 8th graders in our community will receive the gift of the Holy Spirit in the Sacrament of Confirmation. Annually, we look forward to the celebration of Mother's Day, which will take place on May 12th. Our woman of the year will crown Mary and the children of our school will also have a May crowning celebration. The ICCP football team will be hosting a pancake breakfast. The ICCP drama department will be hosting a spring musical. There will be numerous end of the year celebrations for the students and the staffs of both of our schools, along with awards banquets, a ribbon Mass, and graduations. We will celebrate the three year old preschool children entering the four year old program, the four year old children entering kindergarten, the kindergarten children entering grade 1, the 8th grade children entering grade 9, and the high school students going on to college. At the 9 o'clock Mass on May 19th, we will receive into our church five members of the RCIA program that were previously baptized in other faiths and celebrate First Communion and Confirmation with them. Our diocese will celebrate the ordinations of three deacons into the priesthood on May 25th at 11 o'clock at the Cathedral of St. Raymond in Joliet. One of the men to be ordained is Fr. Santiago Corona, who will become our new associate pastor on June 19th. Only one member of his family will be able to attend. All parishioners are invited to witness his ordination and to know that he will be welcomed in our Parish on June 19th.

Amongst the staff members that we will be saying goodbye to in June are Pam Levar, the principal of our high school and Fr. Chris Lankford, our associate pastor. Both Pam and Fr. Chris have had overwhelming influences on many people in the IC community. We will celebrate Pam's retirement on June 2nd at the 11:00 Mass. We will honor Fr. Chris at all the Masses on the weekend of June 8th and 9th.

May the Risen Lord bless all of you during this most special time of the year.

Sincerely in Christ,  
Father Tom

### **May Prayer: A Prayer for Mothers**

All-loving God, we give you thanks and praise for mothers young and old.

We pray for young mothers, who give life and tend to our every need; May they be blessed with patience and tenderness to care for their families and themselves with great joy.

We pray for our own mothers who have nurtured and cared for us; May they continue to guide us in strong and gentle ways.

We remember mothers who are separated from their children because of war, poverty, or conflict; May they feel the loving embrace of our God who wipes every tear away.

We pray for women who are not mothers but still love and shape us with motherly care and compassion.

We remember mothers, grandmothers, and great-grandmothers who are no longer with us but who live forever in our memory and nourish us with their love. Amen.

Dear Friends in Christ,

This May article is part 4 of a 4 part series on the **P.R.AYER. Diet**. This month I will cover **AYER**. Once again, if you have read the other articles, what I'm about to say will be familiar, but I'm not a trained medical professional or doctor. I'm trying to hand on what I've heard and/or read about, and to share what has worked for me.

AYER = And You Eating Right

So we have covered Prayer and Recreation, but as I ended last month's article, "so if I pray about it and move, I'll lose weight?! Well.....it helps, but one more key thing...the last part of the acronym...".

I spent one summer in Omaha, NE at the Institute for Priestly Formation back when I was in the seminary. While I was at the Institute, I met a seminarian from the Archdiocese of Galveston / Houston. Before he entered the seminary, he was either a personal trainer or a nutritionist. Regardless, what he shared with me one day was something along the lines of, "people used to pay me hundreds of dollars for this advice...its 70 -80% diet..." I personally have come to experience this as true! When I have had the most success with my weight loss, it has been in conjunction with my diet being carefully monitored as well.

There was a news article I came across a number of weeks back, and it put the above advice in perspective for me. The article talked about how 20-30% of the calories we burn come from exercise. The rest that we burn come from automatic bodily functions like brain activity and breathing. So basically, we can only control 20-30% of what we burn, but the food we eat, what we take in, that we have 100% control of. Thus, the importance of diet. That yes, we can put hours and hours in the gym (and yes exercise is important), but that only accounts for a small percentage of what we burn. But what food we take in, that we have complete control over, and there are definitely things that are better to take in than others.

So we have 100% control over what we take in, so do we have to eat 100% clean 100% of the time for this to work? I answer no. That is almost impossible, at least for me. But we can make various choices that if they become a habit, they lead to successful weight loss. Take an example. In information I've come across, a pound is 3,500 calories. So if we want to lose a pound, we need a 3,500 calorie deficit. This means we need to have burned 3,500 more calories than we took in. This can be done by exercise, or watching how many calories we take in, or a combination of both.

Say we drink a large sized coffee drink with whole milk and syrups every day that adds up to 500 calories a drink. If we cut that out of our diet, in theory that's 3,500 calories for the week out of our diet right there. Keeping everything else the same (diet and exercise), this should contribute to weight loss, assuming we are not taking in more calories than we are burning through other food and drink. When we do that, the opposite happens, weight gain.

But that coffee drink is delicious. Well we can still have it! Maybe not every day, but once in a while or every other day. Or maybe get it with half the syrup. Little changes like that add up. Say we get that drink down to 250 calories versus 500. That's only 1,750 calories instead of 3,500 for the week. Do that for a year, that's 91,000 calories we saved in a year, all because of some changes or maybe switching to every other day. To make these changes takes virtue. It takes the ability to say **NO**. Not always the easiest thing. But there is more than just health benefits that can come from saying no and making certain diet choices. It helps us spiritually too. I believe it was St. Augustine who talks about if we can't say no to smaller things, how can we say no to bigger things? Saying no to a dessert, or saying no to an extra helping of something helps build up our wills. Thus, as a result of saying no to smaller things, when a larger thing we need to say no to comes along, we have a better ability to do it, because our will is trained.

I could keep going on and on about the AYER. part of the of the P.R.AYER. Diet. The main take away I would like to share is the big role our diet plays in weight loss. Making little changes to our diet adds up over time. On top of that, not only do little changes help our health, but they can help strengthen our wills too.

I'll also share here a couple things practically I have done / do in my diet, that work for me:

-I try and watch my carb intake. I still eat some carbs, but I try to limit how many carbs I take in. I really don't limit carbs from fruits and vegetables, however.

-I try to not consume added sugar when I can avoid it. (I need my "Father Chris Solo" drink from Brewpoint, from time to time, however! #tryit #highlyrecommend)

-I try and eat things that are high in protein.

-I usually won't eat desserts or sweets.

-I try to not drink my calories.

My hope is that these 4 articles have been helpful. Please feel free to ask me if you have any questions. I'm always happy to talk about this stuff! Remember, no matter what size, shape, weight, etc. a person is, we are ALL beloved sons and daughters of God! We are all loved, and our bodies don't define us. Our bodies are Temples of the Holy Spirit and we need to be responsible for them, but they don't "make" us who we are.

In Christ,  
Fr. Chris

I would like to extend a word of appreciation for everyone who helped, supported, and prayed for my Ordination this past March. To say that it was a blessing is an understatement. It is a blessing to be an ordained minister of the Church, and it is even more of a blessing for me to be your deacon!

As many of you know, the Church has been through a lot of rough events since the summer months. Bishop after bishop have been removed or stepped down, and state after state have begun to pour through all the files. However, on March 30, 2019, the Diocese of Joliet, in a very humble and joyous way, proclaimed that the faith is not dead. The Ordination Mass, in which 8 men, including myself, laid down our lives in service of the Church shows that Jesus has not abandoned us, nor will He!

Thank you for all the support and encouragement along the way. Thank you to the many people who helped make the celebration of Ordination such a special day for me and my family. It has been a blessing to be here at IC for the past two years and I joyfully look forward to this next year. While in the Holy Land it was a joy to pray for each of you, as I brought the parish directory with me on the pilgrimage. Know that those prayers continue!

Through the Sacred Heart,

*Deacon Michael*

## Celebrations

### IC Catholic Prep to celebrate retirees Pam Levar and Cindy Thomas

Join us on Sunday, June 2 for a Mass and barbecue reception to celebrate more than 65 years of cumulative service to the IC Catholic Prep and Elmhurst communities. Mass will begin at 11:00 am in the Immaculate Conception Church, with the reception immediately following on the ICCP north lawn from 12:00-3:00 pm.

Pamela M. Levar started at IC Catholic Prep as the girls Physical Education teacher in August 1978 and will complete her storied career this July as our principal, mentor and friend. Ms. Levar has dedicated 41 years to IC Catholic Prep in a myriad of roles.

Cindy Thomas. The English Department Chair and Teacher, has spent the past 25 years inspiring a passion for writing and literature in our young men and women. Mrs. Thomas will complete her career of 35 years at the end of this year.

The legacy of both Ms. Levar and Mrs. Thomas will continue to shape the future of IC Catholic Prep and the students who pass through our doors. Their love and guidance remains a lasting gift to future generations.

After all Masses the weekend of June 8 & 9, we will celebrate Fr. Chris and bid him a fond farewell. Fr. Chris will move to his next assignment, Sts. Peter and Paul in Naperville, the third week in June. He has made a great difference in the lives of many in our community over the last three years. His commitment to the evangelization of the youth of Elmhurst has brought many to a faith filled life. We will miss him dearly and will pray for him on his new journey.

On **Sunday, May 19**, a very special liturgy will be celebrated at 9:00AM in the Chapel. Those who have been preparing for the past year to become part of the Catholic Church and receive the Sacraments of Initiation will be welcomed into our family. **Shauna Brueggen** and **Christine Harezlak** will make a Profession of Faith and receive the Sacraments of Confirmation and Eucharist. **Emil Amerei**, **Mia Carreon** and **Nicholas Credidio**, who have already been baptized Catholic, will now complete their Sacraments of Initiation. This ceremony, generally celebrated at the Easter Vigil, with those being baptized, is now celebrated during the Easter Season.

We invite you to attend and celebrate our newest members! Fellowship will follow the liturgy. We also ask you to pray for our candidates and their sponsors during these final weeks of preparation.

IC will offer a Protecting God's Children workshop on **Wednesday, May 22, 2019** at 6:30 PM in the Resource Room of the PAC/Rectory. To register, please access our website and click on the "Promise to Protect Pledge to Heal" button on the left side. You will be directed to a list of workshops where you can register for the session of your choice. Any adult who works with minors in the parish setting must attend this class. Please call 630-530-3497 for further information.

to prepare meals offsite and bring them to the shelter to serve. The ingredients will be provided.

This is a great opportunity to help homeless families! Please contact Joy Newburn at [jnewburn@cc-doj.org](mailto:jnewburn@cc-doj.org) or 630-937-4259 for additional information. To learn more about Hope House, please visit [catholiccharitiesjoliet.org](http://catholiccharitiesjoliet.org).

# Community Life

IC is pleased to present **two** traveling worship opportunities for IC families!

Traveling Mary

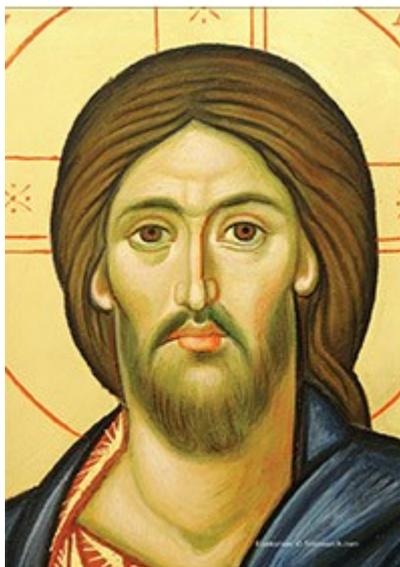

Traveling Vocation Crucifix

Since the Year of Mary in 2013, IC families have been enjoying a visit from **Traveling Mary** as she becomes part of their family for approximately one month.

IC is now pleased and proud to announce a new addition to the Traveling Worship program: our **Traveling Vocation Crucifix** is now available to visit IC homes to help families guide prayers for vocations. If your family would like to participate in the Traveling Worship program, [click here](#) for more information.

World Day of Prayer will be observed on Sunday, May 12, 2019, also known as "Good Shepherd Sunday." The purpose of this day is to publically fulfill the Lord's instruction to, "Pray the Lord of the harvest to send laborers into his harvest" (Mt 9:38; Lk 10:2). Please pray that young men and women hear and respond generously to the Lord's call to the priesthood, diaconate, religious life, societies of apostolic life or secular institutes.

## Prayer for Vocations

GOD OUR FATHER, we thank you for calling men and women to serve in your Son's Kingdom as priests, deacons, and consecrated persons. Send your Holy Spirit to help others to respond generously and courageously to your call. May our community of faith support vocations of sacrificial love in our youth and young adults. Through our Lord Jesus Christ, who lives and reigns with you in the unity of the Holy Spirit, one God, forever and ever. Amen.

### **Totus Tuus at Visitation Parish July 14-19**

The Totus Tuus parish summer catechetical youth program is a week-long "parish mission" for Catholic youth entering grades 1st through 12th. It is dedicated to the proclamation of the Gospel and promoting the Catholic faith through evangelization, catechesis, apologetics, Christian witness, the sacraments, Marian devotion, and Eucharistic worship.

Totus Tuus aims to assist parents and parishes in the evangelizing and catechizing of their youth by supplementing the work they are already doing.

The methodology, structure, content, and enthusiasm of Totus Tuus is concerned not only with teaching the faith, but also igniting the hearts of the team members and young people. The result has been the formation of youth and young adults who continue to dedicate themselves to the Church's mission of evangelization.

**Please go to the Visitation Website for registration!**
